

At Home Advocacy

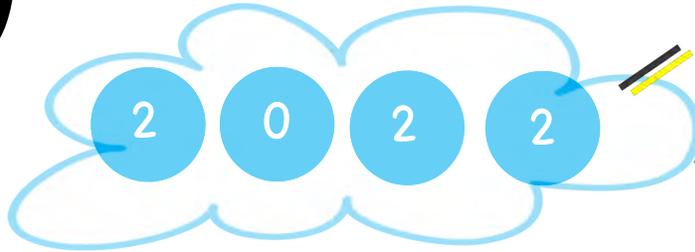

AHA Open House on August 18th is a time for everyone to come together, meet new people and make new friends. There will be food, prizes and, most of all, FUN!

We also want to remind everyone that AHA will be having a picnic on September 2nd, so make sure to mark that on your calendars! (more information to follow)

This month's newsletter includes events for the month of August and our Team member showcase, which will give everyone an opportunity to get to know your team a little better!

Team Member Showcase

This summer has brought change and opportunity for At Home Advocacy. We know many of you have interacted with Steve and Brynn, two of our newest team members. We're excited to introduce them and help you put a face and some fun facts to their names!

Steve Wrigley, Vice President of Family-Based Services

Steve's been with At Home Advocacy since January 2022 and has been supporting people with disabilities and their families for 15 years. Steve's primary role at AHA includes leadership development, interfacing with DDSD, ensuring compliance with service standards and promoting quality services.

Steve is an avid trail runner and enjoys spending ample time in the mountains and desert canyons with his wife and kids—adventuring, backpacking, camping, summiting peaks, and getting lost from time-to-time. Steve loves training for and competing in ultra-endurance marathons, and is currently in training mode for some more 100+ mile distance foot races. It's Steve's personal mantra to "do one more." That keeps him going in all areas of life, helps him find ways to exert the extra effort, take one step in front of the other, and keeps him excited to see what's around the bend.

Steve's Contact Information:

Cell Phone: (505) 433-7522

Brynn Komp, Human Resources Specialist

Brynn is AHA's new Human Resources Specialist. Since she started in April, Brynn has helped us hire and onboard several new CCS, CDS, and Family Living Providers. She's already made an impact and is helping us make sure individuals have staffing and can enjoy the community!

Brynn enjoys the simple things in life, she often spends time with her family, friends, and of course you cannot forget her dog! Brynn is a whole-hearted animal lover and will never pass up an opportunity to take an animal in need in. She is also the person to go if you are ever in need of a good show to watch!
