

This month we will continue our team member showcase!

We also have two new members of the AHA team:

We look forward to have them be featured in our showcase!

A friendly reminder that we cannot be accepting pictures of monthly notes. We also want to remind everyone monthly notes are due on the 1st of each month.

## Team Member Showcase

This summer has brought change and opportunity for At Home Advocacy. We know many of you have interacted with Alberta and Candace, two of our well-known team members. We're excited to re-introduce them to Everyone!

### **Candace Taylor-Hudson, Senior Service Coordinator**

Candace has been with AHA for the past year, she started in June of 2021 and has taken the roll as Service Coordinator for the DD Waiver. She continues to work hard by making connections with her individuals and providers daily. The passion that drives her love for her career is due to growing up with a hardworking family and a caring brother who has an intellectual disability. Candace has made an impact and continues to make an impact with AHA.

Candace enjoys traveling on the weekends, working on the farm, being with her family and pets, also enjoys drawing from time to time. She's also spontaneous and loves going to concerts, she enjoys horror films, comedy films and shows that will keep you on your feet.

### **Alberta Baca, Billing and Payroll**

At Home advocacy has been my home away from home since October 8, 2010. As an Administrative Assistant, I do a little bit of everything like work with the first of the month paperwork, prepare payroll files, bill for DD waiver services and AWMD training.....anything that gives me an opportunity to talk to and get to know our clients and providers.

When I am not at the office, I am a wife of 51 years that is not fond of housework, a mother and a grandmother that loves to read and spend as much time as I can in my garden with my hands in the dirt.
